MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Administrative Adoption of Statutory Benefits

REFERENCE : Memo dtd 23 Jun 70 to DDS fr General Counsel  
same subj

1. Paragraph 3 of this memorandum contains a recommendation for your approval.

2. In referent memorandum the General Counsel has stated there would be no legal objection to the Agency extending to retirees under the Civil Service Retirement System the same retiree and death travel benefits as are now provided for retirees under the Central Intelligence Agency Retirement and Disability System. The General Counsel makes the point that there is an apparent inequity in not granting retirees under the CSRS who are stationed PCS in the United States the travel benefits earlier approved for those under the CIARDS.

3. It is recommended that you determine it to be necessary for the proper administration for all employees of the Agency to extend to retirees under the Civil Service Retirement System the same travel benefits as are now provided for retirees under the CIA Retirement and Disability System, under the authority delegated to you by the Director of Central Intelligence on 5 October 1967. It is further recommended that your approval apply to any such Agency employees who retire on or after 30 June 1970.
